

Hello,

We will be partnering with Uber for Business to assist you with travel to [University Station](#) located in Westwood. University Station has a number of stores, Target and Wegmans, for any items you may need. The Uber for Business program will only cover the full cost of trips from the Charles River Campus to University Station and then from University Station back to the Charles River Campus. Please see instructions below how to set up your Uberfor Business trips.

How to Get Started

1. Simply [click here to accept your invite](#) and follow the steps.
2. Sign in to your Uber account, or [create a new one](#).
3. Connect your account as directed.

Once set up, just switch to your business profile at checkout in the Uber app before booking a **ride**. For more details, check out [this resource](#).

If you have any questions, please reach out to Tim Dunn, timothy.dunn@umb.edu.
